The Minnesota Boychoir trains young men to be outstanding musicians and strives to help them develop a sense of poise and self-confidence through education and performance. A choirboy is challenged to sing well, stand tall, stay on schedule, take pride in his appearance, respect those in charge and tap into the best part of who he is and what he can accomplish. *The Minnesota Boychoir challenges boys and young men from many backgrounds to the highest standards of choral music, nurtures the development of exceptional character, and inspires and benefits the community.*

This activity is made possible in part by a grant from the Minnesota State Arts Board, through an appropriation by the Minnesota State Legislature and a grant from the National Endowment for the Arts.

**CANTAR** Comprised of our youngest and newer singers, **Cantar** functions as a training choir. These developing singers, ages seven to twelve, rehearse once a week with emphasis placed on the basics of singing: posture, breathing, tone production, and reading music. As *Cantar* members grow older, they continue to hone their singing and musical skills.

**CANTABILE** Participation in **Cantabile** is reserved for those choirboys ages nine to fourteen who have demonstrated high levels of musicianship, leadership, responsibility, discipline and commitment. Our most visible choir, *Cantabile* rehearses twice a week and performs at well over thirty events a season, singing music in a wide variety of styles and languages.

**ALLEGRO** Graduates of the Boychoir program are invited to return to sing in **Allegro**. Singers range in age from fourteen to eighteen, rehearse once a week, and perform works for tenor and bass, the changed voice. They also regularly sing with our treble choirs, increasing the range of literature we are able to perform.

**TOUR CHOIR** The **Tour Choir** is comprised of our two most select ensembles, *Allegro* and *Cantabile*. While touring is not mandatory for these boys, most of them travel on summer tour to enhance their Boychoir experience by bringing their music not only to different cities and states, but also to different countries and continents. Their repertoire consists of the best of the best from our 2009-2010 concert season.

**ADULT CHOIR** Parents of choirboys, members of our board of directors, and friends of the organization come together in the spring to form the **Adult Choir**. While partly social in nature, the choir also serves as testing ground for future repertoire for our top choirs. All of the tuition collected from the singers benefits our general fund.

**ALUMSING** Each year, alumni of the organization are invited to join *Allegro* at our spring concerts to form **AlumSing**. This gives old members a chance to re-connect with the organization, not to mention getting a chance to sing some great music. We are always honored to host Paul Pfeiffer, music director emeritus, as co-conductor of this group.
